Part B for March 1931

SUBJECT.

Proposal to treat the Assistant Chemist of the Geological Department as Gazetted Officers

---

To The Director of Geology in Mysore
" Comptroller to Govt. Mysore Secretariat
No. 3330-1/C.B. dt 14/3/31

Sanctions the recommendation of the Director of Geology to treat the two Assistant ~~Chemists~~ Chemists of the Geological Dept. as Gazetted Officers.

Serial No.

1

From
The Director of Geology
5139 Dt 15-11-1931.

Requests that the Grade of pay of the Dy. Director, and the Assistant Geologist (Mr. Balaji Rao) may be revised to Rs 1000-100-1200, 650-50-850, and Rs 500-25-600 respectively the Sen being granted one increment in advance and that Messrs M.R. Anantha Narayana Iyer & C.R. Tirumalachar, Assistant Chemists may be given the Status of Gazetted Officers.

C.B. Collection 152-25-1-6 relating to the previous reorganisation of the Geological Dept, is put up for reference.

It is not known whether Mr Sampat Iyengar will draw the duty allowance of Rs 200/- p.m. even after the proposed Grade is given effect to.

A Statement showing the existing and proposed Scales of pay and the average cost, is put up for consideration.

Submitted for orders

GBR 21/1

The proposal of the Director seems to be that the D.A. of Rs 200 now drawn by him should continue even after the revision of the Scale

GBR 21/1/31 Secy. Dev.

The total extra cost

I do not think we need raise any objection to this request.

The grade pay of the 2 Asst. chemists is 150-15-240. The Sub asst. Geologists on pay 125 - 25/2 - 250 are treated as gazetted officers - the former may also be classed as gazetted officers and empowered to draw their pay on salary bills.

Final Note by the First Member of Council.

Subject:—

Proposal of the Director of Geology for treating the Asst. Chemists Messrs M.R.Ananthanarayana Iyer and E.R.Thirumalachar as Gazetted Officers.

I beg to report that the Director of Geology submitted the following two recommendations in his letter dated 15th January 1931:-

1) Raising the pay of the Director from Rs 800-50-1,600 to Rs 1,000-100-1,200, of the Deputy Director from Rs 500-50-600 to Rs 650-50-850 and of the Senior Assistant Geologist from Rs 300-25-450 to 500-25-600;

and 2) Treating the two Assistant Chemists of the Department as Gazetted Officers.

It is not now possible to entertain any proposal for enhancing salaries. The recommendation for treating the Assistant Chemists as Gazetted Officers might, however, be accepted as officers of similar status and pay of other departments are treated as such.

The above disposal of the Director's recommendations, agreed to by the Council, may be graciously approved.

Bangalore,
19th February 1931.

MEMBER OFCOUNCIL.

Submitted to His Highness.

I submit herewith a Final Note by the First Member of Council on the proposal of the Director of Geology for treating the Assistant Chemists Messrs.M.R. Ananthanarayana Iyer and E.R. Thirumalachar as Gezetted Officers, for His Highness' gracious approval.

GOVERNMENT OF MYSORE

Telegraphic Address:—"GEOL."

MYSORE GEOLOGICAL DEPARTMENT,

No. 5139.

Bangalore, 15th January 1931.

GEN. & REV. SECRETARIAT
6 JAN. 1931
DEVELOPMENT BRANCH

FROM

P. SAMPAT IYENGAR, ESQ., M.A.,
Director of Geology in Mysore,
Bangalore.

16/1/31

To

B. Narayanaswami Iyengar, Esquire, B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
Development Departments.

SIR,

I beg to bring the following facts to the kind consideration of Government and solicit favourable orders on the proposals submitted.

It is now four years since I took charge of the Direction of the Mysore Geological Department, and during that period it is well known the activities of the Department have increased in several directions. The Government also have been pleased to review the working of the Department in appreciative terms, as the Administration Reports testify. I must say that this satisfactory state of affairs could not have been achieved were it not for the willing and hearty co-operation of the staff of the Department.

While such is the case, there exists a long felt grievance and that too a legitimate one among the Senior Officers of the Department in respect of their pay and prospects. As misfortune would have it, for very many years they are only drawing the maximum of their grade pay with no hope of bettering their prospects even by the time they retire. I refer to the cases of the Director, the Deputy Director and the Senior most Assistant Geologist. Personally I was drawing in 1926 the maximum of the University Professor's grade pay of Rs.1000/-.

In

In February 1927 when I was asked to take up the combined duties of the Director and Professor, I was given the same pay of Rs.1000/- (in a grade Rs.800-50-1000) and a duty allowance of Rs.200/-. It is now 4 years and if this position were to continue I have nothing more to hope for. Much worse is the case of the Deputy Director Mr.A.M. Sen. As a Senior Geologist in 1923 he was drawing Rs.600/-. Even now after the lapse of 8 years he is drawing the same pay of Rs.600/-, though styled a Deputy Director, since the grade pay of that appointment in 1927 was fixed by Government at Rs.500-50-600. Similarly Mr.B. Balaji Rao is drawing the maximum of the Assistant Geologist grade pay of Rs. 450/- ever since 1925 i.e. for the past 5 years. All of us, who are the senior most officers of the Department, being more or less of the same age have to retire soon almost simultaneously and hence there is very little chance of securing any preferments in the meanwhile.

The only remedy, in my opinion, for this state of affairs lies in the revision of the pay of the officers concerned. I have the honour therefore to submit the following proposals for the approval and sanction of Government.

a) The Director's grade pay should be Rs.1000-100-1200 which was that of the previous Director Mr.B. Jaya Ram. If necessary it may be treated as personal. As the arrangement now exists, the Director will have to continue to be the Professor of Geology in the Central College with a duty allowance of Rs.200/-, only instead of being styled "ex-officio Professor" or "Director Professor" it is suggested that he should be designated "Director Mysore Geological Department and Professor of Geology Central College, Bangalore" to permit the allocation as at present in equal halves of the salary to the Department and to the University. Further this will also avoid complications while making officiating arrangements when the Director takes privilege leave &c.

b) For the Deputy Director Mr.A.M. Sen I would recommend the grade pay Rs.650-50-850 and to be started with one increment

in

in advance. This will only be a revival of a post carrying that pay which was abolished a few years ago. (Flag 9)

c) For the Assistant Geologist Mr.B. Balaji Rao, I would recommend a grade pay of Rs.500-25-600 and to be styled Senior Assistant Geologist. He should in addition continue to be the Superintendent, Chrome Mines, with the duty allowance of Rs.50/- per mensem debitable to chrome accounts as long as the chrome mining operations continue.

The net increase in cost to Government by giving effect to these recommendations will not be much but it will rectify a long standing grievance and will also satisfy legitimate aspirations.

d) There is yet another matter which is in the nature of a simple request and that is to give the two Assistant Chemists Messrs. M.R. Anantha Narayana Iyer and E.R. Tirumalachar the status of Gazetted Officers of the Mysore Geological Department. The pay that they get and the kind of work that they do deserve this consideration.

I have the honour to be,
Sir,
Your most obedient servant,

T. Sampat Iyengar

Director,
Mysore Geological Department.
